

David W. Krawchuk BA, CGA

Certified General Accountant

Has donated a piece of artwork created by Mac Squires entitled
“Fisherman” to the North Shore Steelhead Association

This is a one of a kind item, hand crafted from a single piece of birch bark, and is the largest piece that Mr. Squires has created. The scene depicts a fly fisherman enjoying his favourite activity while immersed in equally superb scenery. To create this scene Mac removes layers of the bark to reveal different shades of whites, while lichens are added to create a dimension of depth. The fisherman is drawn onto the bark using black ink. It is beautifully framed as a shadow box presentation, and is signed by the artist. It would make a wonderful addition to anyone's office or home.
