

# Team Clark

George Clark of Team Clark is pleased to donate to the North Shore Steelhead Association's 28<sup>th</sup> Annual Dinner Auction, one full day of live release Smallmouth Bass Fishing for two people on Lake Shebandowan. All gear, tackle and transportation will be provided. The gear used will be G.Loomis rods, Shimano Stradic reels spooled with Power Pro line. You will enjoy the latest in Humminbird technology and the dependability of Minn Kota electric motors onboard Team Clark's 18' Lund boat powered by a Mercury 150 hp Optimax. PFD's will also be provided and the wearing of the PFD's will be mandatory.

We will leave Thunder Bay at 7:00 am and return back to Thunder Bay by 5:00 pm. All that the two guests will be required to bring along will be their own lunches, non-alcoholic beverages, and proper attire to match the weather conditions. The time frame for this trip will be mutually agreed upon but will fall between mid June 2011 and mid August 2011, however, some date restrictions will apply. Weekdays will be available as well.
