### **4-Piece Outfit**

Choice of a SAGE 590-4 Outfit, a 690-4 Outfit, or a 890-4 Outfit (a 9 ft. 4 piece rod in either 5, 6 or 8 weight)

The new SAGE Vantage Series rods make learning to cast easier. Vantage rods give beginning casters a high level of “line feel,” creating a quicker, more instinctive understanding of when to apply power.

Lighter and slimmer than their predecessors, these rods feature a smooth new medium-fast action for maximum forgiveness and effortless loading.

SAGE Vantage Outfits provide a complete, perfectly balanced outfit, with Sage reel (1600 Series), RIO® floating line, backing, leader and protective rod/reel case.

**SAGE** fine products are available at River’s Edge Fly Shop, located inside DnR Sporting Goods in Thunder Bay.
