Photo by: Alan Muir

Tying Instructions:

HOOK: Dai-Riki Scud/Pupa hook or similar, #135, size 6, 1X strong, 1X short

THREAD: White Danville or UNI-Thread, 8/0

EYES: Black mono eyes, extra small

TAIL: Two strands of pearl Krystal Flash, wrapped in cream hackle barbs. Flash should extend slightly beyond the barbs

ABDOMEN: Ice White Caddis/Emerger dubbing, lightly dubbed and picked out

RIBBING: Danville fine monofilament, counter-wrapped to create a segmented body

THORAX: Ice White Caddis/Emerger dubbing, heavily dubbed and picked out

SWIMMING LEGS: Cream hackle, three or four turns, palmered forward over thorax

FRONT APPENDAGES: Cream hackle barbs laid between mono eyes, layered over hook eye

SHELLBACK: Clear thin skin, over abdomen and thorax. Lightly dab orange art marker beneath carapace; apply to thin skin or thorax dubbing
